**Industrial Promotion and Development  
Company of Bangladesh Limited**

Report and financial statements  
for the year ended 31 December 2004

Auditors' Report to the Shareholders  
of  
**Industrial Promotion and Development Company of Bangladesh Limited**

We have audited the accompanying balance sheet of the Industrial Promotion and Development Company of Bangladesh Limited as of 31 December 2004 and the related profit and loss account, cash flow statement and statement of changes in shareholders' equity for the year then ended. The preparation of these financial statements is the responsibility of the company's management. Our responsibility is to express an independent opinion on these financial statements based on our audit.

We conducted our audit in accordance with Bangladesh Standards on Auditing. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant accounting estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

Bangladesh Accounting Standard (BAS) no. 21: "The Effects of Changes in Foreign Exchange Rates", requires revaluation of all foreign currency monetary assets and liabilities as at the balance sheet date, using exchange rates prevailing on that date. The resultant difference is required to be charged/credited to the earnings of the year. As at 31 December 2004, IPDC only partially revalued such items, leaving a net revaluation gain of Tk 72,675,974 not accounted for.

Except for the above, in our opinion, the financial statements prepared in accordance with Bangladesh Accounting Standards, give a true and fair view of the state of the company's affairs as of 31 December 2004 and of the results of its operations and its cash flows for the year then ended and comply with the Financial Institutions Act 1993, the Companies Act 1994, the Securities and Exchange Rules 1987, the rules and regulations issued by the Bangladesh Bank, and other applicable laws and regulations.

Subject to the above, we also report that:

- (a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- (b) in our opinion proper books of accounts as required by law have been kept by the company so far as it appeared from our examination of those books;
